Subject: Shanghai Health Study - December Update

Conference Calls and Meetings;

* A conference call was held on December 1 to discuss the proposed budget for 2007 and 2008.
PLEASE NOTE: Only \$500,000 will be available for contingency in the proposed budget reviewed on that call.
Russ White was in error when he said the current contingency money would be available. All funds available
under the current program were committed to help cover the proposed budget increase. Only \$500,000 above
projected costs was added to the new draft budget.

* A meeting will be held at the Westin St. Francis Hotel in San Francisco on December 13 and 14. A
Chevron Corporate rate of \$169 is available at the hotel. The meeting will begin at 1:30 PM PST in the "Board
Room". A light lunch will be available in the room prior to the meeting. We will reconvene at 8 AM the next day
and conclude by 2 PM PST.

Project Administration

* Contracts for the Exposure Assessment project have been signed and returned to API by Drs. Herrick
and Cherrie.

* The contract with Applied Health Science was amended to increase the budget to the amount approved
by the OC in May 2005.

* The contract with Steptoe & Johnson was amended to increase the budget to the amount approved by
