Dear Sirs,

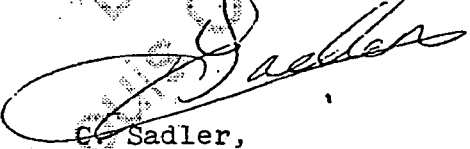

Our Contract Reference. A341, A343, A345, A347, A348.

We would advise you that our customer the British Steel Corporation, have banned the use of Asbestos and have asked us to use a suitable alternative, on all possible applications.

In drawing this to your attention, we would refer you to the above mentioned contract references and advise you that any order placed on you that carries one of these contract numbers should be investigated in relation to use of Asbestos.

We would then, ask you to advise us of all possible applications and type of Asbestos envisaged, together with alternative proposals.

Yours faithfully,
LOEWY ROBERTSON ENGINEERING CO. LTD.

C. Sadler,
Purchasing Assistant.
