From: .. P. Sussman Via Sussmen

Subject: Occupational Safety and Health, and Control of Toxic/Hazardous Substances, Materials and Wastes

Ref.: Memorandum from Mr. H. L. Misch of July 2, 1980 (attached)

As indicated in the referenced memorandum, the March 1977 Directive S-101 is to be revised. A copy of the proposed revision is enclosed for your review and approval.

If you consider changes to be necessary, please have a copy of the text marked up or add separate comments and return to me by July 18, 1980.
