Dear all,

Please find attached a slide deck that provides an overview of activities and progress made. Several of the topics are still under development. We will keep you informed about the future progress.

Please let me know if you have questions, suggestions or additions.

Best regards,

[REDACTED]

PS: the next WP7 PFAS SEA project group meeting is scheduled for 29th of June. However, many of the RIVM colleagues have a conflicting meeting. Therefore, we consider to reschedule the meeting to Wednesday 22nd of June. Please let me know if that does not suit you.

Dear all,

The WP7 SEA meeting of this afternoon will be canceled.
We decided to cancel the meeting to be able to concentrate on the work in progress.
Most of you have been (slightly) informed on the SEA activities during the monthly meeting of Monday and during the SEA drafting team meeting of yesterday.

[REDACTED] will send an overview of all activities and progress in the course of today.

Kind regards,

[REDACTED]
