CERTIFIED MAIL
#5561525

Mr. Bill Stewart, P. E.
Executive Director
Texas Air Control Board
6330 Highway 290 East
Austin, Texas 78723

Dear Mr. Stewart:

The Celanese Chemical Company, Inc., plant at Bishop plans to reclaim about 700 feet of steel pipe ranging in diameter from 3/4" to 6". The pipe is insulated with friable asbestos insulation, so insulation will be removed as the first step, and landfill in the designated asbestos landfill located on the plant site. All precautions, outlined in 40 CFR 61.20-61.25, will be observed.

This letter will serve as a notification of this work, as required by 40 CFR 61.22 (d) (2). The attached data sheet lists all the pertinent data.

Please contact me if you have any questions or comments.

Very truly yours,

J. J. Fritsch by
D. D. Parsley, acting plant manager
J. J. Fritsch, Jr.

Subject: Inclement Weather Policy

With the onset of Winter and the chance of severe weather, please see below the firm's policy on "inclement weather".

INCLEMENT WEATHER

In the event of severe weather, in order to determine whether or not the firm will be open--

1. Check the status of DISD (Dallas Independent School District). All major radio/TV stations will carry the announcement if DISD closes or will have a late opening. If DISD is open, the firm will be open. If DISD is closed, then the firm will be closed. If DISD is opening late, then the firm will open at the same time that DISD opens.

2. In the event that DISD is closed for a holiday, call (214) 525-3793 to see whether or not Baron & Budd will be open. We will leave a voice mail message on this line no later than 7:30 a.m.

3. If the weather is particularly bad in your area, you are encouraged to use your own judgment and take a Time Off day if necessary.
