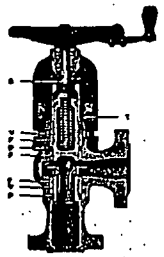
YARWAY
BLOW-OFF VALVES

Used singly or in tandem in more than 12,000 plants in 67 different industries. Recommended by leading steam plant designers and builders of steam generating equipment.

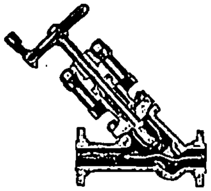


Seatless Type

Made in several styles for working pressures up to 2500 lbs. Angle and straightway.

OPERATION: After valve has been closed, shoulder S on plunger V contacts upper follower gland F, forcing it down into body and compressing packing P above and below port, making an absolutely tight valve. Yoke tension springs T maintain continuous compression on packing train. Alemite lubrication of plunger and stem.

Send for celluloid working model and Bulletins B-424 and B-432.



Hard-Seat Type

Made in several styles for working pressures from 400 to 2500 lbs. Angle and straightway (shown). Stellited seat and disk. A worthy companion to the Yarway Seatless Valve, and frequently used in tandem with the Seatless Valve for higher pressures.

Tandems

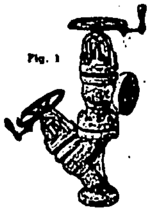


Fig. 1

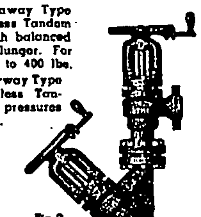

Fig. 2

Fig. 1. Yaway Type "B" Seatless Tandem Valve with balanced sliding plunger. For pressures to 400 lbs.

Fig. 2. Yarway Type "C" Seatless Tandem for pressures to 600 lbs.

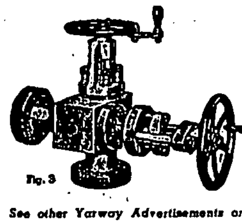

Fig. 3

Fig. 3. Yarway Unit Tandem Valve in which hard seat valve and seatless valve are mounted together in one-piece forged steel body. Pressures 600 to 2,500 lbs.

Write for Bulletins B-424 and B-432.

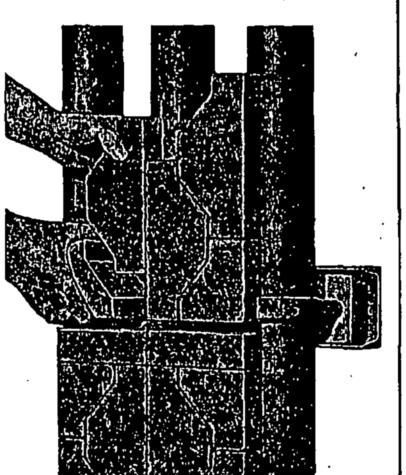
BERNITZ CO.—
NYGAARD
WATER WALL BLOCKS



Check These
Money Saving Features:

1. Long life: Many years of trouble-free service are assured the users of this block.
2. Low Erection Cost: Blocks can be installed from inside the furnace without disturbing any of the packing up material.
3. Simple Construction: Blocks lock themselves tightly against their respective tubes.
4. Close Contact: 75% of the tube area protected comes in contact with the block. This results in the rapid transfer of heat.
5. Engineered to Meet Your Needs: Each installation is a problem in itself. Careful analysis based on years of experience indicates the Bernitz-Nygaard coverage required. Complete drawing furnished for every installation.
