Thank you so much, Thalia. Any way to do 1130? We'll be in the building for an 11.

Thanks again!
Toby

Hi Toby,

I assist Steve Winberg and am hoping to schedule this meeting for you all on Wednesday.

How does the 11-12pm hour sound to fit in a 30-minute meeting?
We also have 3-4pm.

Look forward to coordinating.

Best,
Thalia

Steve - I hope this finds you well and getting settled over at DOE. I appreciate you taking the time last week to discuss hydrogen and I'd love to follow-up with you regarding some ExxonMobil issues and what we're doing.

Do you have any availability this Wed (3/5) for me and some of my colleagues to come in and discuss issues regarding 45V.

Appreciate any time you can spare and look forward to talking soon.

Thanks,
Toby
