TO: DR. ROBERT HUGHES, DEER PARK MANUFACTURING COMPLEX, MEDICAL
DEPARTMENT

FROM: LOUIS C. WADDELL, JR., M.D.

SUBJECT: PULMONARY REGISTRY REVIEW, EMPLOYEE

We received a copy of the ILO chest X-ray reading report on which had indicated bilateral calcified pleural plaques. We do not have a record of having reviewed his case. If we have not already requested information on this employee, please send it to us. If we have already requested it and it is on your list of employees that you will send information on, please disregard this memo.

Thanks for your help.
