3. Clean Harbors LaPorte, LLC (“Clean Harbors” or “Respondent”) is a Delaware corporation doing business in the State of Texas.

4. Complainant and Respondent, having agreed that settlement of this action is in the public interest, consent to the entry of this Consent Agreement along with the

corresponding Final Order hereinafter known together as the “CAFO” without the adjudication of any issues of law or fact herein.

5. Respondent consents to the assessment of the civil penalty specified in this CAFO and to the terms of this CAFO.

B. JURISDICTION

6. This CAFO is entered into under Section 16(a) of the Act, as amended, 15 U.S.C. § 2615(a), and the Consolidated Rules, 40 C.F.R. Part 22.

7. This CAFO serves as notice that EPA has reason to believe that Respondent has violated the regulatory requirements of 40 C.F.R. Part 761 pertaining to Polychlorinated Biphenyls (PCBs). 40 C.F.R. Part 761 was promulgated pursuant to Section 6(e) of TSCA, 15 U.S.C. § 2605(e).

8. The Regional Judicial Officer is authorized to ratify this CAFO which memorializes a settlement between Complainant and Respondent. 40 C.F.R. §§ 22.4(b) and 22.18(b).

9. The issuance of this CAFO simultaneously commences and concludes this proceeding. 40 C.F.R. § 22.13(b).

C. STATUTORY AND REGULATORY BACKGROUND

10. Pursuant to Section 6(e) of TSCA, 15 U.S.C. § 2605(e), the Administrator of the EPA promulgated regulations in 40 C.F.R. Part 761 pertaining to Polychlorinated Biphenyls (PCBs). Failure to comply with any such regulation constitutes a violation of Section 15 of TSCA, 15 U.S.C. § 2614. Any person who violates Section 15 of TSCA, 15 U.S.C. § 2614, may be assessed a civil penalty in accordance with Section 16(a) of TSCA, 15 U.S.C. § 2615(a), and 40 C.F.R. Part 19. Each day a violation continues may constitute a separate violation.

11. Pursuant to 40 C.F.R. § 761.65(d), persons who wish to commercially store PCB waste must apply for and obtain an “Approval” to operate a facility that is subject to the PCB storage requirements under 40 C.F.R. § 761.65. The applicant must demonstrate that it meets all applicable criteria, standards, and conditions for an Approval as specified in 40 C.F.R. § 761.65. A written Approval issued by the EPA shall include, but not be limited to, conditions deemed necessary by the EPA to ensure that operations of the PCB storage facility will not pose an unreasonable risk of injury to health or the environment. Commercial storers of PCB waste are required to comply with the conditions of the Approval.

Definitions

12. The term “Facility” is defined in 40 C.F.R. § 761.3, as all contiguous land, and structures, other appurtenances, and improvements on the land, used for the treatment, storage, or disposal of PCB waste. A facility may consist of one or more treatment, storage, or disposal units.

13. The term “PCB and PCBs” is defined in 40 C.F.R. § 761.3, as any chemical substance that is limited to the biphenyl molecule that has been chlorinated to varying degrees or any combination of substances which contains such substance.

14. The term “PCB Item” is defined in 40 C.F.R. § 761.3, as any PCB Article, PCB Article Container, PCB Container, PCB Equipment, or anything that deliberately or unintentionally contains or has as a part of it any PCB or PCBs.

15. The term “PCB waste(s)” is defined in 40 C.F.R. § 761.3, as those PCBs and PCB Items that are subject to the disposal requirements of Subpart D of 40 C.F.R. Part 761.

16. The term “Commercial storer of PCB waste” is defined in 40 C.F.R. § 761.3, as the owner or operator of each facility that is subject to the PCB storage unit standards of 40 C.F.R. § 761.65(b)(1) or (c)(7) or meets the alternate storage criteria of 40 C.F.R. § 761.65(b)(2), and who engages in storage activities involving either PCB waste generated by others or that was removed while servicing the equipment owned by others and brokered for disposal.

17. The term “Storage for disposal” is defined in 40 C.F.R. § 761.3, as temporary storage of PCBs that have been designated for disposal.

18. The term “Mark” is defined in 40 C.F.R. § 761.3, as the descriptive name, instructions, cautions, or other information applied to PCBs and PCB Items, or other objects subject to these regulations.

19. The term “Transfer facility” is defined in 40 C.F.R. § 761.3, as any transportation-related facility including loading docks, parking areas, and other similar areas where shipments of PCB waste are held during the normal course of transportation. Transport vehicles are not transfer facilities under this definition, unless they are used for the storage of PCB waste, rather than for actual transportation activities. Storage areas for PCB waste at transfer facilities are subject to the storage facility standards of 761.65(d) and the record keeping requirements of 761.180, unless the same PCB waste is stored there for a period of more than 10 consecutive days between destinations.

20. The term “Transporter of PCB Waste” is defined in 40 C.F.R. § 761.3, as, for the purposes of subpart K of this part, any person engaged in the transportation of regulated PCB by air, rail, highway, or water for purposes other than consolidation by a generator.

entire unpaid balance of the EPA Penalty and all accrued interest shall become immediately due and owing, and EPA is authorized to recover the following amounts.

a. Interest. Interest begins to accrue from the Effective Date. If the EPA Penalty is paid in full within thirty (30) days, interest accrued is waived. may take additional actions. Such actions may take include, but are not limited to, the following.:

- a. refer the debt to a credit reporting agency, a collection agency, or request that the Attorney General bring civil action in the appropriate United States District Court (in which the validity, amount, and appropriateness of the EPA Penalty and of this CAFO shall not be subject to review) to recover the full remaining balance, which may include the original penalty, enforcement and collection expenses, nonpayment penalty and interest, 15 U.S.C. § 2615(a) and 40 C.F.R. §§ 13.13 and 13.14;

51. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or a determination of, any issue related to any federal, state, or local permit. EPA does not, by its consent to the entry of this CAFO, warrant or aver in any manner that Respondent's compliance with any aspect of this CAFO will result in compliance

with provisions of TSCA, 15 U.S.C. § 2601 *et seq.*, or with any other provisions of federal, state, or local laws, regulations, or permits.

52. Nothing herein shall be construed to limit the power of EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent and substantial endangerment to the public health, welfare, or the environment.
