Pyrobestos Pipe Covering Board & Stack Lining	Pipe Covering	7/10/36	2/21/40****	Jersey City, NJ

NOTE: Not all products were made at all plants at all times listed.

* May have been produced until this date, but sales diminished substantially by the mid-50's.

** Not sold in the United States.

*** Some of these products did not have asbestos as part of their formulation.

**** While this operating bulletin series was not cancelled until this date, a letter of 2/12/42 from C.H. Shaver, secretary and treasurer of USG, to Mr. Spray of Scott, MacLeish & Falk notes that these pipecoverings were discontinued "at the end of 1939".

+ Tentative specifications.

° SprayDon - US Gypsum manufactured this product pursuant to the specifications of Sprayon Research Corporation.

Most of the products identified in this Exhibit have a shelf life of approximately six months, with some variation due to humidity and storage conditions. It is the policy of the defendant to provide this information to all customers. Therefore, date of last production approximates date of last sale, though U.S. Gypsum is not certain whether shelf life guidelines were adhered to by its customers. Reasonable investigation continuing.
