MEMORANDUM

Subject: General Low Price Covering Market

(Place this subject on your reply to this letter)

I would like to have a meeting, informally, of some of the Merchandising Men in our industry to consider the situation which now confronts the industry.

With the activities of supply associations and the peculiar features of competition which exist at the present time, it appears to me that the industry is facing a rather vital decision.

Will you please inform me whether you can arrange to meet with me at 10:00 A.M., Wednesday, March 13 at the Commodore Hotel, New York City.

I think it is essential that we give sufficient time to this matter to try and reach a conclusion which can be made effective by the industry as a whole.
