Marville Factory

Improving Plant Conditions
Mixing Dept. - Magnesia

Mr. Sorensen hopes to have WPA approval for jobs No. 2548, 2551 and 2458
referred to in my note of the 9th, by tomorrow or Wednesday at the latest.
We are particularly interested in having this work done as soon as possi-
ble.

Will you please let me know what you think we could do to clean it up
in a hurry.
