Thanks Ralf!

Millian, it's a pleasure to e-meet. Please feel free to reach out to me if you have any questions on the request Ralf outlined below. We'd consider it a tremendous honor to have Administrator Pruitt involved in this project.

Hi Millan!

Just thought I'd check in to make sure everything was okay with the request form I submitted last week. As always, feel free to let me know if you need anything further on my part.

I also wanted to introduce my colleague Dean Ball (Cc'd), who is putting together a short 40th Anniversary video to be shown at our annual Hamilton Awards Dinner (to which the Administrator has also been invited). The video would feature interviews with several of our country's most prominent political and intellectual figures discussing their thoughts on MI's past, present, and future; and we'd be honored to include Administrator Pruitt. It would only require about 30 minutes of his time, and we would be more than happy to send someone down to his office to film. If that's something you guys are open to, please feel free to coordinate with Dean.

I look forward to hearing back from you soon.

Kind regards,

-Ralf

Good afternoon, Michelle!

My name is Ralf Mangual, and I manage legal policy projects here at the Manhattan Institute. I just got off the phone with Millan Hupp who kindly returned my call in regards to an invite our President would like to extend to Administrator Pruitt. She asked me to send an e-copy of the letter (see attached) your way. We're thinking late May but are very flexible in terms of timing.

Please don't hesitate to reach out to me at any time if you have any questions or need more information. Thanks in advance for your time, and I hope we'll have the pleasure of hosting Administrator Pruitt again soon.

Kind regards,

-Ralf
