Dear Mr. Brown:

I reviewed Mr. Muehleck's letter of April 27 and your reply under date of April 30, which covers the impending report of Dr. Gardner. Several thoughts occur to me:

Isn't it possible that if invitations were sent out to all of the sponsoring group, only four or five would attend? However, if you and Mr. Muehleck agree that we should limit the invitations to the first four larger contributors and a representative from one of the other companies, that would be satisfactory to me.

Yours truly,

F. D. Rohrbach
