Hi Bill,

I am glad to be working with you on this. Hard to believe it has been almost a year since we met.

Are you free at 2 pm your time on Thursday for a phone conversation?

Thanks,  
Scott

Hello Scott,

I just had a conversation with John Chatburn and Lloyd Knight in Idaho regarding the WGA/DOI invasive species effort. John said that you will be working in the next few days to pull together a framework for the conversation. I will be WGA's lead on this project, so I just wanted to touch base in case you had any thoughts/questions that I might be able to address.

Regards,
