Attention: Mr. H.T. Campbell

Dear Harry,

Could you please send me several of the labels you are proposing to use on your A.C. pipes. They would be helpful to us in assessing our next move in this direction.

I trust your pipe volume is still progressing nicely. We still have a depressed construction industry, but the increases in petroleum product prices should be of some assistance in restoration of our A.C. Selling Returns and Volume.

Hoping to hear from you soon.

Yours faithfully,
JAMES HARDIE & COY. PTY. LIMITED.

C.J. BARTON.
