Mary,

I called in at 2 minutes to 1200 and the recording said that the leader had not yet activated the call. I have been on hold listening to music ever since. The call should have started 5 minutes ago.

Veronica – I did not see you and Jill on here so I am forwarding this to both of you. I haven't seen anything about a Navy/Marine Corps meeting prior to this meeting with GAO. I'll copy you on an email to Richard Mach asking about that.

Thanks,
Mary
