Re: Nevada Power Company vs. Monsanto Company, et al.

Dear Ms. Dewar:

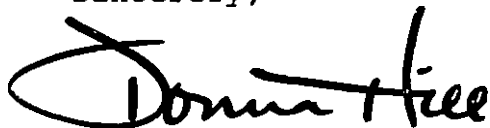

In response to your letter of June 22, 1993 regarding exhibits to the depositions of John McCarthy and Mark Reddaway which were taken in the above-entitled matter.

Our records indicate that, in the case of both depositions, there were no copies of exhibits ordered by counsel.

Both of the original transcripts, with original exhibits, have been forwarded to Peggy Leen, Esq., for filing.

Should you have any questions, please do not hesitate to contact our office at the above number.

Sincerely,

A handwritten signature in black ink, appearing to read "Donna Hill". The signature is fluid and cursive, with a large loop at the beginning and a long, sweeping underline.
