much identical?

A Let's see. Some of it appears to be similar.

Q Okay. Did the industrial relations bulletins put out by Ford go to the Ford dealers or, more specifically, go to the service departments at Ford dealerships?

A I don't think routinely, but I could say, I couldn't say never.

Q The question I had to do with these two documents, really, is why -- do you have any knowledge as to why Ford would wait to issue as a new, new industrial relations bulletin in 1983 material which essentially came to them in the same form from NIOSH in 1975?

A Why they waited? Is that the question?

Q Yes.

A I think the NIOSH, 19 -- the -- where is the NIOSH at? I remember seeing the NIOSH document, and we'll call it the Dear Colleague letter.

Q Okay.

A That came from Bill Lloyd or
