

BASS-HUETER PAINTS and VARNISHES

"The Way to Beautiful Homes"

Protect Your Floors

YOUR floors that must stand the hardships imposed by winter weather, should be protected by a coat of VERSATILE SPAR VARNISH. This finish not only withstands water, but resists the ordinary wear and tear of everyday. Heel marks and scratches do not show on its durable surface, and the wood beneath retains its natural beauty indefinitely.

Table tops, drainboards and linoleum are also made more serviceable by the application of the B-H wear-proof Versatile Spar Varnish.

There is a B-H Paint or Varnish for protecting every surface. We recommend B-H Pure Prepared Paint for exterior work.

Following is a list of Bass-Hueter agents from whom VERSATILE SPAR VARNISH may be purchased:

MILLS ALUMNAE MEET THIS WEEK FRENCH FROCKS

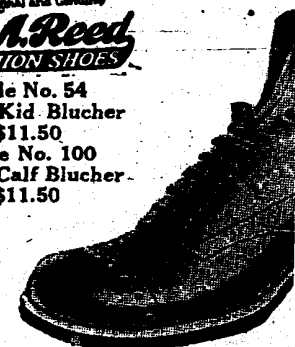

The annual council of the Mills College Alumnae association will be on the campus from Friday to Sunday. One of the features of this year's council will be the use of the new residence building Ethel Moore hall, to which many contributed in the recent endowment drive. It houses the senior students in place of old Mills hall. There will be opportunity for sports and recreation in addition to the regular business conferences. The association will plan for the year's activities of its clubs, branches and committees. The alumnae will be guests of the student body Saturday night at the annual Shakespearean play, "As You Like It." All members of the alumnae are welcome but only members of the council will vote.
