Dear Dr. Marsh:

Enclosed is the protocol for the study entitled "Brain Cancer Occurrence in Vinyl Chloride Exposed Chemical Workers." As we discussed, your normal hourly rate-based fee is acceptable provided that your total fee does not exceed \$2000. Please examine the protocol to determine whether you will be able to complete the task within this arrangement. If so, please review the protocol and submit your comments to me by Friday, June 21, 1996. I will contact you shortly with a more formal agreement for your signature.

I look forward to your review.

Sincerely,

A handwritten signature in cursive script that reads "Robert A. Venezia".

Robert A. Venezia, Dr.P.H.
Manager, CHEMSTAR
