Unfortunately not. We will be coming off of two and a half weeks of travel on April 25 so he has meetings stacked up. I'm sorry!

Thanks Sydney!

Would he be available on April 26, as we have the luncheon keynote still open?

Good afternoon,

Hope this email finds you well! I am reaching out from Administrator Scott Pruitt's office, I believe you have been in communication with John Reeder regarding the Great Lakes Forum. Unfortunately we are unable to participate in the Forum on April 25th due to prior commitments in DC. My apologies for the delay in getting this information to you as I know you have been awaiting an answer. Please do not hesitate to reach out to us regarding future events, I'm sorry we were unable to make this one work.

Thank you!
