March 23, 1970

Mr. R. D. Finch
Maintenance Superintendent
Kaiser Aluminum & Chemical Corporation
Tacoma Works
3400 Taylor Way,
Tacoma, Washington 98421

Dear Mr. Finch:

Thank you for your letter of February 27 requesting the analytical methods suggested for the Pydraul fluids. The enclosed booklet contains these methods which we believe you will find straightforward and easy to follow.

Please let us know if we can be of further service.

Sincerely,

Dale F. Smith
Senior Product Specialist
Industrial Fluids
