No worries. Being out of the office doesn't mean being off email. I am copying Quin Shea, who is our Vice President of Environment. I think Quin is in the office next week, and he'd be happy to work with you on this. Also, Quin's office phone number is 202-508-5027.

Kathy, I'm very sorry to bother you when out of the office but is there someone I could work with next week with EEI on the event?
