

1           A     That is not a worker's journal. Asbestos  
2     magazine is a trade journal. It is not for workers.  
3     It is for manufacturers largely.

4           Q     Are you aware it was published in  
5     Philadelphia in the 1930s and went out to asbestos  
6     workers?

7           MR. IGNATOWSKI: Objection.

8           THE COURT: He has answered the question.

9           MR. MCGOWAN: Okay. I will move on.

10          BY MR. MCGOWAN:

11          Q     Was it well-known to government?

12          A     Yes, we, the government, knew about it.

13          Q     That is the first page and it goes on for  
14     about 16 pages, doesn't it?

15          A     I will take your word for 16 pages. It is a  
16     long article.

17          Q     I am going to go to the last page.

18                 After he did this study, he published this  
19     study, didn't he, for the whole world to see?

20          A     Yes.

21          Q     He came up with some conclusions, didn't
