Emne: PFAS Restriction: Meeting to discuss 5.1.1c

CONFIDENTIAL COMMUNICATION

5.1.2e,
 Following up on our previous submissions regarding 5.1.1c we are reaching out to you as we are currently in the process of finalizing a socio-economic analysis (SEA) on the impacts of a PFAS restriction on 5.1.1c

5.1.1c

The SEA also includes a description of the uses and emissions, a risk assessment and an analysis of alternatives and provides additional information compared to what we have previously shared during the call for evidence/consultations. We would very much like to discuss with you the findings of the SEA study in a meeting and answer any questions you may have. We would be ready for such a meeting starting the second half of March. We are looking forward to talking to you. If you would like, you could send us some availabilities starting mid-March for planning purposes.

Best regards and thank you very much,
