Monsanto

FROM (NAME—LOCATION—PHONE): J. H. Craddock - B3NA (4-4764)

DATE: August 9, 1984

SUBJECT: Weekly Highlights - PCBs

REFERENCE:

TO : W. B. Papageorge

PCBs were found in an abandoned landfill site in Michigan ~80 miles from Detroit along with numerous drums - some containing Monsanto logo and labels. Monsanto was asked to voluntarily participate in disposal activities.

Pat Hyland and Trenton Plant personnel are investigating and handling this issue.
