Hi Peggy and Kyle!

Kyle- thanks for making the intro and Peggy it is great to be connected.

I know that Secretary Wright is a big fan of the Frac Conference and will be very appreciative of the invite. Do you mind completing the event request form attached and I will make sure to bring it to the Secretary and our team to review as we look to consider any 2026 travel plans.

Thank you,

Izzy

Hi Izzy,

I hope this message finds you well. I wanted to follow up on the introduction made by Kyle. We are very interested in having Secretary Chris Wright as the Opening Speaker for the 2026 SPE Hydraulic Fracturing Technical Conference, which will be held on February 3, 2026, in The Woodlands, TX. We would greatly appreciate your assistance in conveying our invitation to him.

Please let us know if there is a formal process or any additional information required from our end to facilitate this invitation.

Thank you for your help and cooperation.

Kind Regards,
Peggy Rijken
 Chair, 2026 SPE HFTC
 SPE Completions Technical Director

Peggy, Izzy,

Pleased to make the introduction. Izzy can help with the request below.

Thank you,

Kyle

Peggy and team,

I will pass this request along to the right folks and share your info for follow up.

Thank you,

Kyle

Dear Mr. Hausveit,

I hope this message finds you well.

As Chair of the 2026 Society of Petroleum Engineers Hydraulic Fracturing Technical Conference (SPE HFTC), I am reaching out to kindly request your assistance. The Program Committee would be honored to invite Secretary Chris Wright to serve as the **Opening Speaker** for the 2026 HFTC, which will be held on **February 3, 2026**.

Given your role at the Department of Energy, we are hoping you might be able to provide an appropriate point of contact or direct email address for Secretary Wright so that we may extend a formal invitation on behalf of the conference.

We would greatly appreciate your help in facilitating this connection, and please let me know if there is a formal process or additional information required from our end.

Thank you for your time and consideration.

Warm regards,

Peggy Rijken

Chair, 2026 SPE HFTC

SPE Completions Technical Director
