Dec. 12, 1921
#2199

Messrs. W. P. Fuller & Co.,
San Francisco, Calif.

Gentlemen:-

4 oz. JARS & CAPS:

We acknowledge receipt of your night letter of the 10th inst. instructing us to rush by steamer 20 gross #5830--4 oz. Show Card Jars.

Have placed order with Hazel-Atlas Glass Co. and will hurry shipment all possible.

ASBESTINE:

Also note your request for wire quotation on Asbestine from Whittaker or equal quality. Whittaker, Clark & Daniel's present price on #13 A Pulp, same quality as formerly purchased is \$16.60 per ton job Mine, New York State. The International Pulp Co., from whom we formerly purchased Asbestine for your account quote \$13.00 per ton job Mine, New York State.

According to test made in this office, the Asbestine from the International Pulp Co. is a better color than the #13 A Pulp and is equally as fine.

We confirm night letter of even date giving you this information.

VALUE OF GOODS ON STEAMER "STEEL MARINER":

Value of goods shipped on Isthmian Line Steamer "Steel Mariner" which sailed from Jersey City Dec. 8th is

San Francisco-----\$900.97.

We added this information to our night letter mentioned above.

Very truly yours,

W. P. FULLER & CO. *WPF*
