

## CURRICULUM VITAE

ame ARTHUR WILLIAM MUSK

orn August 12th, 1943, Kalgoorlie, Western  
Australia

ome 19 Kinninmont Avenue, Nedlands, Western Australia  
ddress 6009.

ork Department of Respiratory Medicine, Sir Charles  
ddress Gairdner Hospital, Nedlands, Western Australia 6009.

### cademic ualifications

- 967 M.B.B.S., University of Western Australia
- 977 M.Sc. (Occupational Health) Harvard School of Public  
Health
- 987 M.D., University of New South Wales

### rofessional ualifications

- 971 M.R.A.C.P.
- 975 F.R.A.C.P.
- 982 F.C.C.P.
- 984 F.A.C.O.M.
- 989 M.F.O.M., R.C.P.

### rofessional xperience

- 967 Resident M.O. Royal Perth Hospital, W.A.
- 968 Resident M.O. Sir Charles Gairdner Hospital, W.A.
- 969 Medical Registrar, Sir Charles Gairdner Hospital  
(University Dept. of Medicine, Respiratory Medicine)
- 970 Medical Registrar, Royal Perth Hospital (University  
Dept. of Medicine, Renal Unit)
- 971 Medical Registrar, Sir Charles Gairdner Hospital  
(University Dept. of Medicine, Respiratory Medicine)
- 972-74 Research Fellow and Associate Physician (Thoracic

- 975-77 Research Fellow, Occupational Medicine, Dept. of Physiology, Harvard School of Public Health, Boston, Massachusetts, U.S.A.
- 977-78 Visiting Scientific Worker, M.R.C. Pneumoconiosis Research Unit, Llandough Hospital, Penarth, Wales.
- 986 Senior Visiting Fellow, Brompton Hospital. (Feb-May).
- 990 Senior Visiting Fellow, Brompton Hospital (Jan-Feb).

urrent  
ppointments

- 978 - Physician, Head of Department of Respiratory  
resent Medicine, Sir Charles Gairdner Hospital.
- Clinical Professor of Medicine, University of Western Australia, Faculty of Medicine.
- Visiting Lecturer, Curtin and Edith Cowan Universities.
- Member, Pneumoconiosis Medical Panel, Western Australia.
- Consultant on dust diseases, Department of Health and Community Services, Northern Territory.

embership of Professional Colleges and Societies

- Royal Australasian College of Physicians (Fellow)
- Australian Medical Association
- British Medical Association
- The British Thoracic Society
- The Thoracic Society of Australia  
(President W.A. Branch 1982-84),  
(Secretary 1984-present),  
(A/Fed Sec 1986-7)  
(Convenor, Working Party on Smoking and Health 1982-present).
- The American Thoracic Society
- The Australian and New Zealand Society of Occupational Medicine
- The Australian Council on Smoking and Health

The Australian College of Occupational Medicine  
(Fellow)

The Faculty of Occupational Medicine, Royal College  
of Physicians.

#### Scholarships and Awards

- 967 Australian Commonwealth Government University  
Scholarship.
- 973 Joint Coal Board of New South Wales. Grant in aid to  
study methods used in investigation of occupational  
diseases in major centres in U.K. and U.S.A.
- 975 F.A. Hadley Scholarship, University of Western  
Australia, to Harvard University.
- 976 National Health and Medical Research Council  
Fellowship in Epidemiology, to Harvard University  
(1976-77) and the M.R.C. Pneumoconiosis Unit  
(1977-78).
- 983 Australia China Council - Grant in aid to attend  
Occupational Health and Safety Exchange, China.
- 985 Schering Corporation Travelling Fellowship for 1986  
(RACP) to Brompton Hospital, England.
- 990 Pharmaceutical Manufacturers' Travelling Fellowship  
for 1990 (RACP) to Brompton Hospital, England.
- 991 Wunderly Medal, Thoracic Society of Australia and New  
Zealand 1991.
- 992 Member of the Order of Australia for services to  
respiratory medicine in the field of asbestos and  
smoking-related diseases.

#### Current Research Projects

Follow-up studies of crocidolite workers from  
Wittenoom.  
NH & MRC (with A/Professor M.S.T. Hobbs and Dr. N. de  
Klerk).

Mechanisms of asbestosis.  
NH & MRC (with Dr. B.W.S. Robinson).

Pleural thickening and the development of  
mesothelioma in crocidolite workers.  
Cancer Foundation of W.A. (with A/Professor M.S.T.

Studies of asthma mortality in W.A.  
Asthma Foundation (with Dr. G. Ryan and A/Professor  
M.S.T. Hobbs).

Bronchial reactivity in the general population.  
Department of Veterans Affairs (with Drs. G. Ryan and  
A. James).

Respiratory disease in W.A. grain workers.  
Asthma Foundation and Co-operative Bulk Handling  
(with Drs. G. Ryan and A. James).

Respiratory disease and occupational exposures in  
welders. Department of Occupational Safety and  
Health (WA) with Mr. M. Phillips and Mr. M. Davies,  
Curtin University of Technology.
