Dear Peter:

Thanks ever so much for taking the time to meet with me in Calgary earlier this week.

Both Garry Evans and I feel that the meeting was productive in the knowledge we gained. I hope you will be able to give me a letter outlining your recommendations for dust and asbestos particle control in our plants. I am also looking forward to receiving a copy of the paper which you said was in second draft form and which would be available in about two weeks.

Yours very truly,

N.F. Bushell,
Manager, Zonolite Products.
