Patrick,

I am copying the Secretary's scheduling office so you can get the form to request a meeting with the Secretary.

Thanks,

Scott

Scott/Ryan,

I hope all is well. I wanted to let you know that we recently met with several key people/organizations in Idaho, and there is growing support for having Endangered Species Act Committee (aka, the "God Squad") stop the endless litigation and end the uncertainty relating to various parts of the Snake and Columbia Rivers in the Pacific Northwest.

As a result, is there a way for Secretary Zinke to meet with us and others on this topic/issue when he is out West on a visit this summer, or to have a meeting at Interior in DC with Ryan Zinke sometime this summer?

I look forward to your response.

Best regards,

Scott/Ryan,

Thanks again for meeting with Darryll Olsen and I last Wednesday in Washington DC to discuss the various issues relating to the potential breaching of the Lower Snake River Dams in Washington State, as well as how the Endangered Species Act Committee could be convened to bring an end to this uncertainty.

Additionally, thanks for pulling-in the various other representatives of Interior, Justice, USBR, etc. that attended/participated in the meeting.

Best regards,

Patrick Boss
