Just to clarify, is the date next Tuesday or Monday the 17th?

Fantastic!

Right now the day is wide open. We can plan around the Governor's schedule. As I mentioned, in addition to the meeting between the Governor and Administrator, we would like to invite the Gov to visit a farm and participate in a round table discussion with local businesses about WOTUS. We would need your office's assistance in coordinating if this is of interest to the Governor.

Troy,

Thanks for the notification! Very exciting to have the Administrator visit our state. I have little doubt Governor Herbert would like to meet and host the Administrator while he is in Utah.

I've already forwarded your note on to our key scheduling and senior staff and will get back with you asap about the Governor's availability and possible locations for a site visit and/or roundtable discussion.

Thank you for the opportunity and look forward to working with you on this visit! As you get more details about timing please share with me so that we can make sure our schedules align appropriately.

Best,

Cody

Cody,

I hope this email finds you well.

The Administrator is going to be out west next week and would like to come to Utah to do a few events around WOTUS. Ideally, he would like to visit with Governor Herbert, visit a location impacted by the 2015 rule, and co-host a roundtable discussion with the Governor and impacted parties. The schedule is still being built out; however, **we would be in Utah on Tuesday, July 17<sup>th</sup>.**

Is the Governor available to meet with the Administrator to discuss the next steps in the WOTUS rule making process? Also, would he be willing it participate in a site visit and roundtable?

Many thanks,

Troy
