Good afternoon folks,

I am following up on a recent conversation with some of you regarding the City of Starkville, Mississippi's FY 2024 RAISE grant that has been put on hold due to your ongoing review process for all grants. We would appreciate your timely review and approval of this project as an adjacent highway (Highway 182/MLK Blvd) is closed for construction and having this main thoroughfare updated and opened is an immediate priority of Chair Hyde-Smith. Can you please provide us with the current status of this project and an expected date that you plan to release these funds?

Thanks as always and happy to hop onto a call if that is easier!

Best –

Mike
