Subject: Thank you

Lee:

I just wanted to drop you a quick note to say thank you for taking the time to meet with the Rosebud team on Wednesday. It was a great opportunity for us and we appreciate the EPA listening to our concerns. It was also great to hear about some of the initiatives you have in the works at the EPA. Please let me know what I can do as follow-up on the items discussed at the meeting, including WET Testing in both PA and Ohio. Thanks again and have a good weekend.
