

Economical Production

A complete equipment of the most modern mechanical devices, many of which are exclusive Bass-Hueter features, has resulted in lower production costs on Bass-Hueter products and a consequent lower price to consumers—quality considered.

Every variety of paint and varnish distributed through 600 exclusive Bass-Hueter dealers gives consumers an exceptional service of high quality products at an unusually low cost.

Dealers

If there is not a Bass-Hueter dealer in your town, write us regarding the exclusive agency.

Many choice territories still open for reliable representatives.
