**PRELIMINARY STATEMENT**

Pursuant to consent order dated October 20, 2003, Dana provides answers to Master Interrogatories about "Warner Electric". This Preliminary Statement applies to and is incorporated into each Answer.

Dana answers these interrogatories after reasonable investigation with the best available information presently known about Warner Electric Brake & Clutch Company and its historical product lines. To the extent Dana manufactured products that were not Warner Electric Brake & Clutch Company's historical product lines, those products will be reported separately as otherwise required by the October 20, 2003 order.

Warner Electric Brake & Clutch Company, f/k/a Warner Electric Brake Company, was founded by A. P. Warner before 1930. Warner Electric Brake & Clutch Company was incorporated on December 13, 1962 in the state of Delaware.

Dana acquired all of the outstanding shares of stock of Warner Electric Brake & Clutch Company in 1985.
