Doesn't have to be during session but attendance usually better when it is. Friday's are often a good day as folks aren't as busy with hearings and stuff. But any day can work

Yeah. Is there a preferred day of the week? During session I presume?

I'm in. Let's set it up. Although I can't promise I'll be as crass or funny as you are when you do standup!

I don't eat lunch anyways so don't worry about the food.

I had a wedding in KY to attend on derby day. Who does that?

Same old question??

Wondering if you would consider if it is even permissible to have a "brown bag" lunch at our office one day. We would invite a few clients Those that are interested in EPA. Hear about the new EPA etc.

If not allowable or something you wouldn't wanna do no problem. We do with various interesting people from time to time

Irrespective of you're answer to that question we should convene for lunch in the near future.

I can tell you about my 8300 dollar trifecta ticket from the derby!
