Dear Samantha,

I write this evening on behalf of the NRA Women's Leadership Forum as follow up to the letter Secretary Bernhardt received from me, inviting him to participate in the WLF Summit this coming September in San Antonio.

We would like to confirm Secretary Bernhardt's participation during our program on Saturday, September 28, 2019.

I am available to connect by phone to share further specifics if you'd like. Please let me know of a time that may work for you.

Thank you so much for your consideration and attention.

All the best,

Jennifer Craig
