

A meeting of the executive committee of the Athletic association was held Wednesday evening to discuss the financial affairs of the association. Since a deficit of about twenty-five dollars exists it was decided to levy a seventy-five cent assessment on all members in order to settle all outstanding bills at once.

The High school baseball team have sent a challenge to the Santa Paula High school for a game of ball May 12, the game to be for the possession of the Santa Barbara Independent cup now held by the Santa Paula High school. The names of players and the substitutes had to accompany the challenge and the following names were submitted: Van Pelt, pitcher; C. Argabrite, catcher; O. Dudley, first base; H. Dudley, second base; Flint, third base; Eaton, shortstop; Waud, center field; W. Argabrite, left field; Thurmond, right field; subs, Ready, Mallory, Isham and Ramelli. The lineup for the game with the Thatcher boys on May 5th will be as above if some of the second team players do not show unusual improvement. The second Thatcher team and the second team of the High school will play a game May 5. The lineup of the second team has not been determined as yet.

The Sports and Passtime Club and the Athletic Association are planning a basket social for Saturday evening, May 5. A short literary and musical program will probably be given after which a period for dancing and games will be allowed followed by the auction of the baskets, and supper. An invitation will be sent to the Oxnard high school to attend and the Thatcher boys who will come here to play ball that day will be asked to stay over. The proceeds from the sale of baskets will go to the treasurers of the two associations.

A basket ball game will be played on the high school court next Saturday morning a 10:30 between the Freshman team of the high school and the team from the grammar school. The team from the grammar school are fine players for young girls and the Freshmen will be in better shape than when they played Santa Barbara so a good game is in prospect. An admission of ten cents will be charged. The teams will line up as follows:

NO. 1 A DANDY FOR BURNS

Dr. Bergin, Pana, Ill., writes: "I have used Ballard's Snow Liniment: always recommended it to my friends, as I am confident there is no better made. It is a dandy for burns." Those who live on farms are especially liable to many accidental cuts, burns, bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency." 25c, 50c and \$1.00. Sold by Walker Drug Co.

We sell it.
