I will be at the Climate Communication Panel Session table. I would recommend that you come to the Breakfast so you can find out about any last-minute changes. You can also check the web site

Please try to keep your presentation to 20-30 minutes so there is adequate time for questions and answers. I will give you 5, 3 and 2 minute warning using hand signals. After your presentation I will thank you and introduce Clara Poffenberger who will then introduce the Climate Policy Update Panel. Our understanding is that you will not be able to join us on the panel, but if that is correct let me know and we can include you on the panel. The panel is scheduled to run from 9:10-10:10 am.

The Conference is scheduled for Oct 10-11, 2017 in Arlington, VA and promises to be a great opportunity to exchange meaningful information on the current thinking relative to climate change and how we can mitigate any adverse effects and adapt to the potential consequences. The Association values EPA's thinking and is excited to provide the forum for discussion to our membership and other parties involved in the discussion.

However, our intent at this time is to list you in the Program at the Keynoter and then to send out a special mailing/notice announcing Administrator Pruitt as the Keynoter should he decide to speak.
