Objet : RE: Follow-up meeting with Arkema

Dear [REDACTED] 5.1.2e

Thank you for the invitation. I am interested to hear the preliminary results.

Suggested time and place are fine with me.

Kind regards,

[REDACTED] 5.1.2e

Subject: Follow-up meeting with Arkema
Dear [REDACTED] 5.1.2e,

I would like to follow-up to our latest meeting on 16 February 2022 regarding Arkema's work to manufacture PVDF without the use of any PFAS surfactant, our outlook on PVDF decommissioning and recycling as well our conclusions on PVDF biodegradation, stability and aging.

As you know, we committed to generating additional information with the help of external consultants to support the regulatory process and we would like to invite you for a meeting to present the preliminary result of our RMO study as well as of our modeling exercise to determine the release in the environment during the use phase, disposal and end-of-life. In addition, we would like to share with you additional data we have gathered regarding mobility and incineration.

I would tentatively suggest a meeting in person for the 15th of June between 15.45 and 16.30 PM, as I will be in Brussels with my colleagues to attend the FluoroProducts and PFAS for Europe (FPP4EU) meeting on the universal PFAS restriction.

Please let me know if this date and time would suit you and if you would feel comfortable meeting at FH premises, since their offices are in the same building as Cefic's offices. I of course remain available to schedule a meeting at your best convenience either virtually or in person.

Kind regards,

[REDACTED] 5.1.2e
