Downey, I wanted to follow up with my contact information and a note of thanks for visiting in Rapid City. It was a great event and really nice that you and the other staff could come along.

Also, we had discussed the potential to have the Secretary as our Keynote Speaker at our Annual Meeting Dec 5-7 in Spokane, WA where 2000 mining industry professionals will be gathering. If this remains a possibility, please let me know the appropriate protocols for a proper invitation.

Thanks again and I was great to visit. I will look you up when we are in DC next.
