Subject: Re: ECOS Meeting

We want you to come out as soon as you are ready. We have a lot of exciting growth going on in Nebraska. We can work together and be a lot more effective!

Jim:

I enjoyed our brief discussion at ECOS last week in DC. Ed Chu and the Region 7 staff hosted me for the entire day and I thought it was a productive meeting. I am very much looking forward to engaging with you in a more substantive manner to discuss how we can enhance the relationship between Nebraska and the EPA at both HQ and Region 7.

Please feel free to call me anytime on my cell phone listed below.

Ken
