PATENT. DEPT.

February 9, 1962.

Mr. C. F. Kaegebehn,  
Manager, Patent Department,  
National Lead Company,  
111 Broadway,  
New York 6, N.Y.

Dear Charlie:

Further to our conversation, we have found the actual document here - in addition there are two other pieces of information having a bearing on the agreement which we are enclosing, in duplicate.

I wish to advise that we also received the 818 shares on January 5th, 1950 as a stock dividend. These are in New York and are comprised of the following:

|                    |                    |   |     |            |
|--------------------|--------------------|---|-----|------------|
| Certificate No. 73 | - Canada Metal Co. | - | 815 | shares     |
| " "                | 75 - D.A.Merson    | / | -   | 1 "        |
| " "                | 76 - J.A.Taylor    | / | -   | 1 "        |
| " "                | 77 - H.C.Wildner   | / | -   | <u>1</u> " |

Totalling: 818 shares

The one in Mr. Taylor's name, however, I believe has been transferred to the writer.

If you should require permanent copies of this agreement, etc. please advise and we will process same and forward to you.

Yours very truly,

Carleton Smith
