

Maddy and Millan,

I understand there's still a possibility the Administrator may be able to join us at our event on Friday, October 20th. Is this accurate?

As you likely know, Texas has worked very closely with the EPA during the ongoing storm and aftermath. The help of the EPA has been instrumental to many of our member companies and their operations. The timing of our event and the attendance of the Administrator would be a perfect time to express our appreciation.

As a reminder, we do still have some availability on our agenda during our dinner the evening of Thursday, October 19th but Friday, October 20th would be ideal.

Thank you,

Neal Carlton

Maddy:

Just to add to this, with every industry sector actively participating in this event, we do think it would be greatly beneficial to both the Administrator's goals for the Agency and industry if he is able to make it to the event. Let us know if we need to work on anything to make this possible.

Thank you!
