October 9, 1970

Mr. Bill Clede
The Hartford Times
10 Prospect Street
Hartford, Connecticut 06101

Dear Bill:

Thanks for sending us the recording you made following your interview with Bill Papageorge. We were very pleased with the positive approach you used in explaining this very complicated subject.

Let's be sure and stay in touch because continuing progress is being made to solve this problem. Perhaps we can get together on another updated interview in a few months.

Sincerely,

Edward V. John
Public Relations Manager
Organic Chemicals Division
