Subject: MLPA Annual Meeting Invitation to Speak
[scan0031.pdf](#)

Dear Mr. Jackson,

On behalf of the Master Limited Partnership Association (MLPA), www.mlpassociation.org, I would like to invite you to be our Keynote luncheon speaker at our Annual Meeting and 30th Year Celebration on September 28 at the Willard Intercontinental Hotel. Lunch is between 12:15 and 1:30 and you could speak at any time during that time period - prepared remarks and, if you would be willing, some Q&A. We particularly would be interested in your thoughts on EPA's priorities, changes to regulations that affect the energy industry, and how EPA's policies could impact MLPs.

Attendees will consist of our membership, including MLPs, law firms, accounting firms, investment banks and financial advisors, many of whom are your constituents. I have attached a link to our current membership: <https://www.mlpassociation.org/about-us/current-members/>. The event is not open to the press.

I know your schedule is hectic and unpredictable, but if there is any chance you might be able to speak to my membership that would be fantastic. I know they would be thrilled.

Thank you so much for considering this request. I also have attached a formal invitation.

Please let me know if you have any questions or need additional information.

Best,

Lori
