2 Q Now, on page 141 they talk about -- I knew I
3 wouldn't be able to do this.

4 They are talking about what they are doing
5 in this and this is their present investigation.

6 Do you see that down there in the middle,
7 Doctor?

8 We undertook to study the question whether
9 asbestos exposure during insulation work in the U.S.
10 was associated with the hazard of asbestosis and its
11 complications.

12 This is sort of where they are telling or
13 reading what it is that they are going to study,
14 correct?

15 A Yes.

16 Q Okay. I am going to flip back to the first
17 page of the study.

18 Doctor, I am going to look at the first
19 paragraph.

20 Mr. McGowan talked to you a little bit about
21 this in the Fleischer-Drinker study. And in the
