Mr. Bob Sabol
Stillmeadow, Inc.
9525 Town Park Drive
Houston, TX 77036

Dear Bob:

Please test the enclosed sample, identified as V-2100 Specialty Alkylate for skin and eye irritation according to the following protocols.

Rabbit Skin Irritation	S9-F43-060287-4
Primary Eye Irritation	S9-F34-60287-3

The testing costs are understood to be those listed in the attachment to our general contract with Stillmeadow.

Sincerely,

Thomas G. Grumbles, C.I.H.
Environmental Quality Manager
